We would like to offer a heartfelt thank you to all those individuals, businesses, foundations, municipalities, and government agencies who have given generously to the Festival of the Sound. The donors listed in this section gave to the Festival of the Sound between June 24, 2018 and June 14, 2019. Gifts, large and small, help us to provide a world-class Festival each year and to promote youth music education. We are truly grateful to our supporters. We take painstaking measures to ensure each donor is acknowledged and have made every effort to include a complete list. However, if we have inadvertently missed your name, incorrectly listed your name, or placed your name in the wrong category, we sincerely apologise.
